DRIVEN WITH HEART, FUELED BY RELATIONSHIPS

The TPI Process

And how you can use it to create excellence in your work everyday here at BME.

TPI Stands for Two Person Integrity

Regardless of how skilled or experienced you are in your role, you are human just like we all are.

In order to provide excellent and on time work, you should always ask a fellow BME team member to check your work for you.

This reduces errors and improves the effectiveness of your work.

REMEMBER TO

Always TPI your work

before it's marked as completed and
delivered to the client.
